Preface

This is a transcription of a collection of duets by an unknown composer. The only known source for this music is a manuscript written at some time in the second half of the 18:th century, and now preserved at the University Library in Lund, Sweden, under the name "Saml. Wenster Aa:20". The original consists of two separate parts marked "Wiolino" and "Wiola". The frontpage, apparently written by another hand, is marked "6 Duettos // a // Wiolino // (G-clef) // Alto Wiola". I have, however, divided the last piece into two for several reasons. My arguments for, or against, dividing the piece are as follows:

Divide

- First 2 movements mixed clefs, last 2 movements only treble clef
- First 2 movements in viola range (C-f'), last 2 movements in violin range (G-d")
- Front page probably not written by the music copyist.
- Last duet of approximately double length.

Don't divide

- The same key
- "6 Duettos" on front page

While making this edition I have always tried to keep it as close to the original score as possible. However, some editional changes has been made. These are as follows:

Duet	Movement	Bar	Part	Change
3	1	87	Violin	Added last "d c b a"
6	1	10	Viola	Changed third note from a to b
6	1	53	Viola	Changed 6:th note from e to d
6	1	85	Viola	Changed 4:th note from a to b

No	Key	Page
1	C major	4
2	F major	10
3	D major	16
4	G major	24
5	A major	30
6	E flat major	38
6B/7	E flat major	46

The purpose of this edition, as well as all other music released by me, is a combination of me trying to learn more about 17:th and 18:th century music, and, at the same time, helping other people to get hold of interesting and rare music. Suggestions and corrections can be sent to the address below.
